Dear Dr. Sebestyen,

This letter is to inform you that for ECMA Standard 334 4<sup>th</sup> Edition, Microsoft Corporation will grant, on a non-discriminatory basis, to any party requesting it, licenses on commercially reasonable terms and conditions, for its patent(s), if any, deemed to be necessary for the implementation of the Ecma Standard.

This declaration remains valid only as long as the corresponding Ecma Standard remains valid.

We trust that this declaration complies with the Ecma Code of Conduct in Patent Matters related to standardized systems.

Regards,

Microsoft Corporation

Peggy Moloney  
Program Manager  
Interoperability Group

P.S. In addition to the above offer to grant licenses under reasonable and non-discriminatory terms and conditions, Microsoft further makes any necessary patent claims it may have in ECMA Standard 334 4<sup>th</sup> Edition, available under the Microsoft Community Promise
